Hunters Poised For Opening Of 1956 Small Game, Deer Season

Shooting To Start Next Monday

Michigan hunters are poised today for the opening of the 1956 hunting season with the posting of opening hours and game limits.

As in previous years, the state has been divided into three major areas: Zone 1 covers the Upper Peninsula; Zone 2, the northern half of the lower Peninsula; and Zone 3, the southern half of the lower Peninsula.

Shooting hours for water-fowl are from a half-hour before sunrise to a half-hour before sunset.

On woodcock, the hours are a half hour before sunrise to sunset.

On other game, the hours run from 6 a. m. to 7 p. m. except Oct. 20, when hunting is banned until 10 a. m. when the pheasant season opens.

The following listing of shooting times and game limits is published for your future reference.

Rabbits and Hares
Zone 1—Oct. 2-Oct. 1-Mar. 1.
Zone 2—Oct. 2-Oct. 31.
Zone 3—Oct. 2-Oct. 31.

Bag limit—Five in a day; 10 in possession, 50 in the season, all zones.

Beaver Island continues closed to the hunting of cottontails.

Squirrels
Zone 1—Oct. 1, gray and black squirrels only.
Zone 2—Oct. 1-Nov. 10. Fox, gray and black squirrels, except no blacks in Cheboygan, Clare and Isabella Counties.

Zone 3—Oct. 1-Nov. 10. Fox, gray and black squirrels, except no blacks in that part of the zone lying in Isabella County.

Bag limit—Five in a day; 10 in possession, 50 in the season, all zones.

Pheasant
Zone 1—Menominee County south of US-12 and Delta County south of US-12 and Escanaba River. Oct. 1-Oct. 10.

Zones 2 and 3—Oct. 20-Nov. 10. Opening hour, first day, 10 A. M.

Bag limit—Zone 1, one in a day two possession and four in the season. Zones 2 and 3, two-four-eight.

Bear
Zone 1—Special season ended Saturday.

Zones 1, 2 and 3—Archery hunting, with deer license. Oct. 1-Nov. 5. No dogs.

Zones 1, 2 and 3—Oct. 1-Nov. 5. Guns, with or without dogs. Small game license.

Zones 1, 2 and 3—Regular season, combined with buck season. Deer license necessary.

Bag limit—One bear, regardless of how taken.

Deer
Zones 1, 2 and 3—Oct. 1-Nov. 5. Archery hunting, with deer license, for deer of any size and either sex, except bucks only (3-inch antlers) in Cheboygan, Chippewa, Emmet and Menominee counties.

Hunting for deer of either sex is legal on Drummond Island, although it is part of Chippewa County. In Allegan County the archery season continues through Dec. 15, but in Allegan only.

Zones 1, 2 and 3—Nov. 15-Nov. 30, regular buck season. (See exceptions in remainder of listing.)

Shotsguns or 22 rifle only. Only south of M-46.

Zones 1, 2 and 3—Dec. 1-Dec. 31. Special "deer" season. 19 permits by permit and quota. Permits by application, hunting only in the area for which permit is granted, and all permit holders

automatically barred if they have killed a deer in any of the other seasons.)

Zone 2—Special "antlerless season" will be held in the same areas as the regular buck season (permits and quotas on Bois Blanc Island and in Area 2, which comprises parts of Lake, Newaygo, Oceana, Mason, Manistee, Westford and Osceola Counties).

Zone 3—The usual extra "antlerless" season, by permits and quotas, will open in a part of Allegan County on Dec. 1, same as the "special" elsewhere but will continue, as usual, for 9 days.

Waterfowl
Zones 1, 2 and 3—Oct. 1-Dec. 9. Seventy days, same as last year.

Shooting hours, from half-hour before sunrise to half hour before sunset, including first day.

Wood ducks are completely protected.

Bag limits—Ducks, four in a day, eight in possession, with mergansers counting as part of bag but only one hooded merganser allowed; geese, five in a day or possession, but not more than two geese or one of each; coots, 10 and 20; rails and gallinules, 15 and 15, except sora rails, on which limits are 25 and 25.

For many years Jack Pine was just a visitor to Grayling, coming here whenever he got a chance, school vacations, summer vacations, weekends, and just about every occasion that presented itself.

Even when he was working in New York, Houston, Hollywood or Denver, he always felt that his real home was Grayling. His high school yearbook listed Grayling as his home town, a fact that caused considerable distress to several members of his family.

And there was once a time when Jack Pine heard of the death of a good Grayling friend. He heard about it a couple of days late, but got on a night plane out of New York.

He was two hours late for the funeral. The only reason for the delay was that someone asked me why I came all the way from New York just for a funeral.

I answered that not only was the deceased a friend, but that I liked to come to Grayling whenever the chance presented itself. To which he commented, "Listen, if I ever got as far away as New York from this place, there's nothing, nothing at all, that would EVER get me back here."

But he's still here, and doing quite well at that. And Jack Pine is here, too. Every once in a while someone will ask if I miss the "big time," the hustle and bustle of the city, the excitement and big money.

I answer that I don't, not one bit. And then, in the back of my conscience, I wonder whether I do ever miss it.

I get to thinking that in a while I'm greener back where I came from.

But, it had been well over a year since I was in Detroit, and old standing ground from way back. The end of last week, for business purposes, I had to be in Detroit. I fit a way. I looked for acquaintances to the way, to seeing old acquaintances.

The panther and shop talk of the advertising profession. But things were different. The roads had been improved, the freeways extended, and I had lost in the town where I was born.

At the Sheraton-Cadillac, there was no one I knew at the door or the desk. Even the door man paid me little attention, until he found out I was staying at the hotel.

In fact, no one seemed to have anything to do with a car that wasn't a clean Cadillac or Imperial.

And, believe me, my Chevy was neither, and was filthy dirty to boot. I will say one thing for him, though, he was a real gentleman.

My over-generous tip (a habit left over from my expense account days) and, later, when I went out for a sandwich and a cup of coffee, I visited a favorite spot.

Nothing had changed, but I had, and the people and things that used to interest me, I found in a way, foreign, almost disgusting.

Leaves, flowers, sloppy drinkers, ever-so-superior women. Nothing seemed right.

In my room I turned on television. Midnight movies, long commercials, supercilious hucksters. Something seemed wrong; so I turned off the set and went to bed.

I began comparing the auto horns to the sound of the river, the newboy to the sound of a late bird on the river, the rumble of automobiles to the whirr of a startled partridge, the footsteps in the hall to those of a running deer, the radio in the next room to the winds through tall pines and the thickly painted walls in my room to the lovely white pine in my yard. The neon lights from the city became moonlight shining on the quiet forest...

And I slept.

The next day was just as bad. Lunch at the Detroit club with bankers was far less pleasant than lunch at Joe Cicilia's Grayling Restaurant with Bob Hayes, Eric Post and Don Leslie. Joe's food is better, infinitely better, and the people at Joe's are better.

Real people who figure that honesty and integrity are pretty important things in this life. No I got my fill of the City for good. I got every bit of foolish dream about the big city of my eye.

Maybe the kids will grow up and want to leave Grayling, but not me... not for anything.

When I started back, the gas gauge read empty so I pulled into a gas station. The attendant noted that I was from Grayling, and asked where that was. I said he had never heard of it. I had heard north, and as the miles clicked by, I was a little faster until finally the sign, "Crawford County" reflected from the headlights.

And if the cops had picked me up for speeding, I would have been glad to pay the fine. They would have understood I told them I was just going home.

Vikings To Entertain Harbor Springs Rams Here Friday

Viking end Don Roberts, number 85, is pictured above about to drop an East Jordan ball carrier during the season's opening game at the Grayling Memorial Recreation Area last Friday night. On the ground after hitting the ball carrier, slowing him up for Roberts is halfback Russ Ballenger, number 48. In the background coming up to make sure the ball carrier is contained are Bill Martin and Frank Lutop, numbers 85 and 85 respectively.

Eighty Attend First Fall PTA Meeting

It was most gratifying to see a turnout of some eighty parents and teachers at the first fall meeting of the Parent Teacher Association held in the high school gym Monday evening.

The president, Mrs. Robert Funk called the meeting to order and the secretary's and treasurer's reports were read. The latter report showed a cash on hand of \$94.90 in the treasury as the new year begins.

The P. T. A. minutes prior to 1955 are missing and the president would greatly appreciate any information leading to their whereabouts.

Mrs. Funk gave a short report on the P. T. A. workshop that she and Mrs. Joseph Hull, vice president, attended at Higgins Lake during the summer. Two pertinent facts learned at the workshop were that P. T. A. bylaws must be revised every three years and that, while the association is limited as to the ways of raising funds, it is allowed to do so.

Was pointed out that out of the 35 cent dues per member, 15 cents goes to the state and 5 cents to the national association, leaving only 15 cents for the local treasury, not enough money on which to operate the organization.

Chairmen heads were announced as follows: Budget, Uharley Russell; Character and Spiritual Education, Joseph Stripe; History, Mrs. A. H. Hanson; Home Economics, Mrs. A. H. Hanson; Physical Education, Mrs. A. H. Hanson; and Head of the P. T. A., Mrs. Robert Klein; Hospitality, Mrs. Herbert Wolff; Membership, Mrs. Russell Moshier; P. T. A. Magazine sales, Mrs. Theodore Wheeler; Kitchen or Social, Mrs. Charles Kroil. To date there is no chairman for Cub Scouting or Ways and Means. Mrs. Hull and Mrs. Elmer Fenton head the program committee with Mrs. Joseph Funk, Mrs. A. H. Hanson, Mrs. Marion Fox and Mrs. Matt Bidvia assisting. Mrs. Hull announced that a representative from the Michigan State Police will be guest speaker at the October 29 meeting. His talk will concern juvenile protection, "drugs, traffic and molesters" and he plans to cite cases and try to instruct parents in educating their children concerning these problems.

Adult driver education was discussed, also safety patrol. Jack Wilson was made head of a safety committee to investigate safety patrol and to be assisted by Mr. Stripe. It was pointed out by Mr. Stripe, however, that safety patrol in schools where the grade and high school students were in the same building have not proved successful.

A question was raised as to what happens to the bus student in the H. W. who is dismissed from school at 3:15 until the buses leave at 4:00. These students have teacher supervision and in case of bad weather will be allowed to stay in the school house, Mr. Stripe announced.

Mr. Stripe introduced the teachers and a room count was taken

will be shown to any one interested and at P. T. A. Bill and Lawrence Stephan held the Archery classes with Lacey Stephan assisting. These classes are conducted in the rear yard of the school grounds. Following the hour of worship and music appreciation.

Sue and Loni Stephan were class and play ground co-workers. A deep appreciation from these conducting these V. C. Schools, go to the children for their responsiveness; to the parents for their fine cooperation; to the Lee Hills for transportation and treats; to the Junior Wakeleys for their humility; and the School Board for a fine place to worship.

Elder Merle Harford, (the newly appointed District President for Northern Michigan) and Mrs. Rachael Harford of Gaylord spent one morning with the children. The Harfords gave the "Creation Story" in a discussion period and Chalk-talk. They left a very fine contribution for the closing period of our Vacation Church School. We, the "Church of Jesus Christ" wish to share a picture of the fine group of boys and girls. Due to the irregularity of the setting, we are unable to name them in rows.

Following the V. C. School many of these boys and girls had a desire to attend the Park of the Pines reunion, which is held each summer on the shores of Lake Charlevoix, Boyne City, Mich. There they found the same Spirit of Worship, class work and recreation.

The Grayling Branch held their Annual election of officers at the Church on August 7. Elder Merle Harford in charge. Those appointed were: Pastor, Elder Roy Spitz; Dan C. Babbitt, Treasurer and Solicitor; Mrs. Carl Olson, Secretary and Auditor; Mrs. Dan C. Babbitt, Church School Director; Mrs. Roy Newberry, President in charge of the Women's Department; Mrs. Bernard Fowler, Youth Leader; Mrs. Searles Vandenberg, Music Director; Mrs. Theodore Stephan, Steward and Publicity Agent; The Building Committee: Elder Newberry, Dan Babbitt, Earl Mathewson, Norval and Theodore Stephan.

Northern Michigan District held their annual church conference at the Gaylord School Auditorium on September 9th. Elder Merle Harford of Gaylord and Bishop Max Landsberg of Lansing in charge. The first meeting was a Fellowship service at 9:30 A. M. Bishop Landsberg was the guest speaker at 11 A. M. Mrs. Bernard Fowler soloed: "My Task with Mrs. Searles Vandenberg at the Piano. A basket lunch at noon. At 12:30 there was election of officers for the new year. At the close of the business, four young men were called and ordained to higher offices in the Priesthood of the Church. Namely: Herschel Smith, Elder; Max Wellman, Elder; Dale Christopher, Priest, all of Traverse City. Walter Fritz, Elder, Boyne City. Others attending conference from Grayling branch were: Mr. and Mrs. Dan Babbitt; Elder Roy and Mrs. Newberry; Danie Newberry; and Freddie Urner.

The Women's Department of the Church met with Mrs. Searles Vandenberg, September 13th to appoint their officers for the coming year. Mrs. Roy Newberry, President in charge. Mrs. Dan Babbitt, Assistant leader; Mrs. Theodore Stephan, Secretary; Mrs. Earl Mathewson, Treasurer; Mrs. Norval Stephan, Ways and Means Chairman; Mrs. Leonard Jensen, Friendly Visitor Chairman. The next day of last week, September 20th, the Department met at the Church to work on the Year Books. Time 1:30 P. M.

Dan Babbitt gave the sermon at the 11 A. M. service. 16th, Mrs. Norval Stephan soloed: "Seek-ye The Lord." The evening service, guest speaker Elder Ernest Burt of Onaway, Mich. "The Church By The Side of The Road" was rendered vocally by Mrs. Norval Stephan, Mrs. Bernard Fowler, Mrs. Leonard Jensen and Mrs. Searles Vandenberg.

Visitors Prove To Be Publicists

Two guests who proved to be from Grand Rapids, connected with the newspaper there, were entertained at Cunningham's Lodge this summer, as a result of which the following is reprinted from the Grand Rapids Herald:

"One of the pleasantest points along the Ausable river is Cunningham's Resort on Star Route, Grayling. The resort can boast of an atmosphere permeated with fresh pine-scented air with one of Michigan's finest trout streams running past the door of each cabin and lodge."

District Health Dept. Plans Hearing Tests

A hearing testing program is being cooperatively planned by District Health Department No. 1 of the school system of the area and the Michigan Department of Health.

The program consists of three parts. To begin the program there will be group testing which will be done by local technicians using special equipment furnished through Michigan Department of Health. All children in grades four through eight will be included in the program. Children in kindergarten through third grade and high school students from ninth through twelfth grades will be done on a referral basis.

The children screened out by the group audiometer testing as having some hearing loss will be tested later with a Pure-Tone audiometer. This portion of the program will be done by a specialist from Michigan Department of Health. Children who are again found to have some hearing loss will be invited to a clinic where they will be examined by a medical ear specialist and the parents advised as to care.

Neither All Hero Nor All Villain...

An inflexible pattern seems to govern the nomination of candidates at both the national political conventions. Each nominee for office, no matter how obscure or what his record, is made to appear an incredible combination of every virtue, without a single fault. Thousands of lush words are spent in over-estimating each ally.

Then, when candidates are finally chosen, those useful ones are extolled in even more extreme terms. The composition is often characterized, at least in part, as consisting of fools, knaves, or a combination of both.

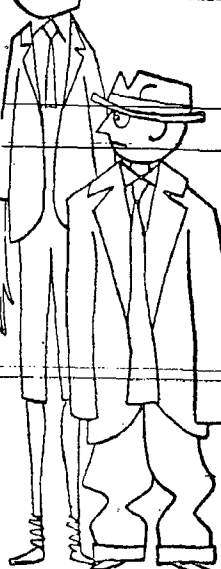

Many people have come to believe that this technique is a political necessity. But past history contains examples of an entirely different kind. For instance, a presidential candidate who was to have a very bright future was given a nominating speech of exactly unadorned words. Here is the speech in full: "I desire the honor of the delegation from Illinois to put in nomination as a candidate for the president of the United States, Abraham Lincoln of Illinois."

During the coming months we will be barraged on all sides by the claims and arguments of aspirants for office. It will be good indeed if a reasonable number of these speeches are based on logic and reason instead of blatant emotion — and if the fact is recognized that neither party nor any man is all hero nor all villain. As Herbert Hoover said in San Francisco: "From the day of its founding, men and women of the Republican Party have led our country to safety in many of our crises of freedom. Men and women of the Democratic Party, too, many times in that party's long history have served freedom to the full."

munity, has been plagued with juvenile crime. Duck-tailed teen-agers, called bodge-boys Down Under, have wantonly destroyed automobiles, engaged in gang wars, and beaten innocent bystanders.

Sydney's answer takes the form of a two-pronged ordinance. First, the parents must pay for the damage done by their delinquent offspring. Second, as Robert Ruark vividly phrases it, "A father must, in the presence of a police officer, apply six of the best to sonny boy's stern—with a police whip, and to the satisfaction of the attending officer."

Sydney has set a precedent that every city and town could profitably follow.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

September 28, 1933:

Mr. James E. Mogan, Managing Director of the Sales-Tax Department, talked Thursday over station WJR. His subject was how the sales tax benefits the citizens. The highlight of his talk was the fact that the sales tax will eliminate the heavy burden of taxation on real estate. He mentioned that only 30 per cent of the people own property, and therefore pay ninety per cent of all the taxes. He pointed out very clearly that this was an unfair and unjust burden upon these few citizens and that the sales tax, which is now operating, is taxing everybody on an equal basis. Mr. Mogan stated that our public indebtedness should be greatly decreased and that the school taxes, because of this sales tax, would be cut considerably in the very near future.

The Alabama Baptist prints the following anecdote: A preacher at the close of one of his sermons said, "Let's all in the house who are paying their debts stand up." Instantly every man, woman and child, with one exception, stood up. The preacher seated them and said, "Now every man not paying his debts stand up." The exception noted, a careworn, hungry looking individual, clothed in a last summer's suit, slowly stood. "How is it, my man, that you are the only man not to meet his obligations?" "I run a newspaper," he meekly answered, "and the brethren who stood up are my subscribers." "Let us play," exclaimed the minister.

Misses Irene McKay and Pauline Schoonover are spending the week-end at A Century of Progress in Chicago.

Miss Veronica Lovely left Sunday to enter Central State Teachers College at Mt. Pleasant. Her father Peter Lovely accompanied her as far as Bay City, where she was met by her brother, Richard. Richard returned home after spending a week's vacation among friends in Bay City.

Barbara Ann Borchers celebrated her 6th birthday Saturday and Mrs. Borchers entertained 18 children in honor of the occasion. Games were enjoyed and in the contest of pinning the tail on the donkey Ruth Younken came near-

est and won the prize. Barbara Ann received many nice gifts and the children were served a delicious lunch by Mrs. Borchers.

At her summer home at Lake Margrethe, Mrs. Carl Michelson was hostess at a very delightful bridge luncheon Friday afternoon. Three tables were in play following the luncheon, Mrs. C. G. Clippert and Mrs. George Alexander receiving the prize honors.

Mr. and Mrs. Edward Morrissey of Grand Rapids spent the week end visiting the latter's mother, Mrs. Kate Loskos.

Mrs. L. Y. Crandell of Flint visited at the Tracy Nelson home last week. She was accompanied home Saturday by her mother, Mrs. David White and the latter's sister, Mrs. Simon Sivrais, who are visiting relatives there.

Last Thursday marked the first meeting of the year for St. Mary's Altar society, and it was well attended at the home of Mrs. David Mantour. Election of officers was held and Mrs. Liland Smock was unanimously re-elected president. Mrs. Carl Nelson vice-president, and Mrs. W. J. Heric secretary-treasurer. Plans were discussed for the year's work which were in accord with all. It is unusual for lunch to be served at the first meeting, but the hostess served a very delicious one.

John Stephen, Jr., and family, who have been camping on the banks of the AuSable River for the summer, have moved into their cabin, which has been occupied by his brother Norval and family. The latter family are moving in with his brother Lacey Stephen for the winter.

Today and tomorrow the annual state convention of the Ladies National League is being held in Flint and several members of the local organization are in attendance. Tuesday forenoon, Mrs. Neal Matthews, Mrs. Albert Knibbs, Mrs. Sidney Robarge and Mrs. Ben Pankow left and expected to visit relatives for a couple of days before the convention.

Mr. and Mrs. Mike McCormick, Mr. and Mrs. George Papenfus, and Mrs. Lolla Papenfus and son Robert of Lovells went to Sigbee last Friday to help Mrs. Tom Wakeley celebrate her birthday.

H. A. Bauman came down from the north last week for his regular visit with his family and friends. He says they have no snow yet.

Misses Tillie and Margaret Foley of Oscoda County will help keep the old fossils in the editorial home from getting lonesome this winter. They entered the best school in the best and only town on the map, last week.

Holger Hanson went to Detroit last week to spend a few days at the Fair grounds.

"The equinoctial" storm which reached us promptly last week has had a protracted spree, being un-

usually severe and long drawn out.

The Waters "Tigers" came down Sunday to play the fast T. Town team and met defeat to the tune of 7 - 0. Grayling has the players.

Miss Margaret Brink started for her home in Kapiha, Washington, last Saturday, but on account of the storm at the Straits was obliged to stay at Mackinaw till Sunday evening, Peter Aebli, foreman of the Avalanche, together with his daughter, Mrs. Henry Borchers and Roy Harris, upon reaching the bridge drove off, it being

New York Student Writes To English Class

EDITOR'S NOTE - Below is a letter received by Mrs. Robert Klein's English class.

11 Laurence Street
Jordan, New York
September 17, 1956

Dear Students:

I am a Junior at Jordan Central School. Today our class was given an assignment of writing a letter to a school out of state. I chose your town because the famous "Bear Bow" is manufactured near there. I am an archery enthusiast. Since learning how to shoot, I have become acquainted with the famous Bear Bow and equipment. Its standards rank high among all archers. Last week I participated in the New York State Archery Shoot held at Ithaca, New York. I am happy to say that I saw many Bear Bows in use. I hope that my letter will be read in class and that some of you will write to me and tell me about yourselves and Grayling.

Your fellow class mate,
Jack Ehrlich, age 16

JOLSON'S

VAN HEUSEN®

CENTURY SHIRT

with the revolutionary new soft collar that

WON'T WRINKLE EVER!

\$3.95

White

A top performer - it's America's fastest growing shirt - it's completely different. The Van Heusen Century soft collar is woven in one single piece... can't wrinkle, wilt or crumple... never needs starch or stays. Completely different in the laundry, too. Just iron the collar flat, flip it, and it folds perfectly every time - the fold-line is woven right in. Van Heusen Century shirts wear up to twice as long as ordinary shirts, yet cost no more.

Dear Jack:

The Bear Archery Company is located just west of Grayling in Crawford County. The company is back on its orders of bows. It needed about 10,000 dozen arrows at the beginning of this week to fill the orders. Fred Bear, the owner, shot a grizzly bear recently with a bow and arrow. He is the second known man to accomplish such a feat. It took three arrows to kill the animal.

We have the famous AuSable River starting here in Grayling. We have an annual canoe race. The canoes start here and race about 16 1/2 miles to Lake Huron. The rugged grind record is an Osceola pair this year. The event takes place the first week in September. We have four canoe leagues from which tourists may rent canoes for a day. There was an article in the Saturday Evening Post in the September 1st issue concerning the race.

"Mike" down received its name from the Grayling fish from back in the lumbering days. The Grayling is extinct here today, but the trout fish has become well known for trout fishing throughout the state. We have a fish hatchery in Grayling. It holds baby fish until they reach maturity, then they are turned loose into the AuSable, Michigan and other trout streams in the area.

We have a National Guard Camp just west of Grayling called Camp Grayling. Different states bring their guard to Camp Grayling to train for two weeks. This year only had the Michigan National Guard of approximately 10,000 men. The camp covers a large territory, much of which was donated to the state by a former lumberman of Grayling. Near Grayling is the Hartwick Pines State Park. It contains one of the only Virgin Forests left. The biggest pine tree is nearly 150 feet high.

The Grayling Winter Sports Area is one of the top Winter Recreation Areas in Michigan. It has a skating rink and five ski tows. It also has one of the fastest toboggan slides in the world. One can travel at speeds up to 120 miles per hour.

Yours truly,
Jim Kessler

Navy College Program Exam Applications Ready

Applications are now available for the Navy's eleventh competitive examination for its nationwide NROTC college training program, according to a recent announcement by the Navy Department. The mental examination is scheduled for December 8, 1956, and is open to all high school seniors and graduates who can qualify.

The deadline date for receipt of all applications is November 17, 1956, the Navy stated.

Successful candidates will start Naval careers in colleges and universities across the country in 1957, with substantial financial assistance from the government. After a normal college education, graduates will be commissioned as regular officers in the Navy or Marine Corps, for active duty with the Fleet throughout the world. For those who apply and qualify, immediate assignment to flight training will open new careers in Naval aviation.

Male citizens of the United States between the ages of 17 and 21 are eligible to apply for the aptitude test. Persons attaining a qualifying score will be given the Navy's rigid midshipman physical examination next February. From the pool of qualified candidates remaining in competition, approximately 2,000 young men will be selected for appointment to the program and the college of their choice.

College men enrolled in the Regular NROTC program will spend their summers on training cruises with the Fleet, and will receive \$800 annual retainer pay until commissioned. In addition, the midshipman will study a planned course in Naval science. All tuition, fees, and books will be furnished by the Navy.

Applications for this career program are available from Mr. Henry Sherry, principal of Grayling High School or from the nearest U. S. Navy Recruiting Station. Mr. Sherry has been provided with specific information concerning the NROTC program and will furnish information bulletins to any interested student or graduate.

Supervisors, Clerks Hold Session Here
The Second District of the State Association of Supervisors and County Clerks held a meeting here in Grayling last Thursday with about 50 in attendance.

The Second District covers the counties of Charlevoix, Crawford, Kalkaska, Grand Traverse, Benzie, Leelanau, Emmet and Antrim. The meeting was opened with a business session in the court rooms at the Crawford County Court House. The group later adjourned for a guided tour through the Bear Archery Company plant followed by a dinner at the dining room at the Grayling Legion Post building.

United States Congressman Elford A. Cederberg of Washington spoke to the group following the meal. After a film was shown, the group assembled back at the Court House to continue their business session until adjournment.

Peterson and wife took the boat from Manistee last week for Milwaukee from where he ran down to Chicago.

State Hospital Asks For Needlecraft Items

Traverse City State Hospital, which is the state mental institution serving this area, is beginning its special emphasis for the Fall and Winter months in the area of special activities and is seeking the assistance of interested clubs, church groups and individuals in our communities.

The emphasis, at the moment, is being placed on a need for needlecraft items. This list would include such things as needles, knitting needles, crochet hooks, embroidery hoops, tatting shuttles, threads, flosses, cottons and yarns of every description, color or quality. They also have need for remnants of materials of any description.

Many housewives have odds and ends of these items lying about, which they cannot use, and the hospital is appealing to them to gather them up and share them with patients who need them so much. All items should be mailed directly to Mr. O. J. Curtis, Box C, Traverse City, Michigan, and persons mailing materials should always include their return address.

G. O. C. News

Mrs. Lillian Ryan and Mrs. Erwin Wales were co-hostesses at a G. O. C. party held Monday, September 17th, at the American Legion Hall. The purpose of the party was to bid farewell to Sgt. Larkin Baker and welcome to Sgt. Larry States, who replaces him.

The evening was spent playing cards. Lloyd Jonniges and William Heide were the prize winners. A delicious luncheon was served to the group, during which a farewell gift was presented to Sgt. Baker.

Mrs. Harold Long was appointed the new Chief Observer. Sgt. Baker appointed Mrs. Alice Pratt as temporary Post Supervisor. The post is now on 24 hour watch.

For Sale — One Brooklyn Bridge — Cheap

NO ONE could get us to fall for that famous old Brooklyn Bridge swindle! But we might be duped into deals that are far worse. Fast talking, smooth operating shysters are still trying to swindle the American public.

Take our nation's natural resources for example. You and I and over 165 million other U.S. citizens own these natural resources. But special interest groups are bent on making big profit from our property. They are spending huge sums of money on expensive national advertising and using all manner of high powered influence to convince the public that the government should not develop these resources and that power from existing Federal dams should be sold and distributed by profiteering power companies.

The "Preference Principle" in government

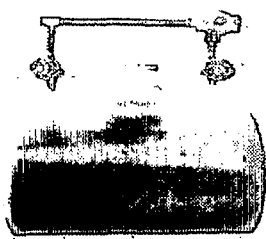

power contracts is our only protection against this power sale swindle. Without "Preference" it would be virtually impossible for people served by small non-profit public bodies such as municipalities and rural electric co-ops to gain any of the benefits of Federally generated power. It would be seized at the bus bar by the vast so-called "Private Power" industry which is already getting over five times as much Federal power as rural electric co-ops.

But "Preference" is being attacked and we need men in Congress who will beat down these attacks. Before you go to the polls this November make sure your candidate represents your views on "Preference" and other power issues. Remind him that WE DON'T LIKE BEING SWINDLED!

Name New District Scout Executive
 Announcement was made today by Arthur E. Henry, Scout Executive of the Paul Bunyan County, of the employment of a new District Executive, James M. Atkins. Mr. Atkins has just returned from six weeks at the National Training School for Scout Executives at Monmouth, New Jersey, where he received special instructions in the police and philosophy of the Boy Scouts of America, how to recruit volunteers, program development and finance.

He will start work immediately in the Northland District serving the counties of Crawford, Roscommon, Ogemaw, Arenac and Iosco. His responsibility will be to recruit, train and guide the volunteers who endeavor to make the program available to all boys.

On September 1, 1956, the Northland District had 10 Cub Packs, 15 Scout Troops and 8 Explorer Posts, serving a registered membership of 211 Cubs, 307 Boy Scouts and 107 Explorers, for a total Boy membership of 625 in 23 units. There are 288 registered adults. There are 4277 boys in these five counties between the ages of 8 and 18 and surveys indicate that upwards of 65% of them would like to join the Boy Scouts of America if there were enough sponsors and leaders available.

Special Season Deer Hunting Areas

Numbered areas on the map show where special permit holders will be allowed to take one deer of any age, either sex, during special hunting seasons this fall. The extra seasons were established by the Conservation Commission to harvest more deer in 22 starvation and crop damage areas. A special season will be held December 1-2 in all these areas except No. 1, 2 and 17. In area 1, Allegan county, the special season will be held December 1-9. In areas 2 and 17, the special season will be concurrent with the regular season November 15-30. Each special permit will be valid for only one area.

Grange Booster Night A Success

Forty-three Patrons and fifteen guests enjoyed the potluck supper program and exhibits on Monday evening, Sept. 17th, at Crawford Grange Booster Night. A nice display of vegetables, flowers, baked goods and fancy work was donated for the annual auction. The program arranged by Lecturer

Cynthia Knecht, was enjoyed. George Knecht, Jack LaBarge, and Charles Curran won honors with their displays of vegetables. Visitor William Christensen, was the auctioneer and all had a lot of fun. Next meeting will be Monday, October 1st.

From where I sit... by Joe Marsh

Changed Her Whole "Point of View"

Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them—Miss Williams—got homesick.

"To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard—my heart just sank!"

But, when Miss Williams noticed a pot of geraniums on the window sill—and a note saying "Look at these instead," (signed) "Last Occupant"—she decided to stick it out. She kept those flowers

watered and tended to make things that were easier on the next occupant.

From where I sit, it's often hard to adapt to new surroundings—just as new customs often seem strange to us at first. For instance, if you're always had tea with your meals you might find it odd that I prefer a glass of beer. It's OK to prefer what's familiar to you... but also keep an open mind on what's not.

Building Main Roads of Concrete Will Save Citizens millions in Michigan

Every citizen has a vital stake in building main roads that meet civil and defense traffic needs.

You want safe roads. You want roads of proved economy because you pay for them with license fees, gas and other motor vehicle taxes.

Most main roads are concrete. Of the most heavily-traveled road sections in the U.S. 92 per cent is concrete. Some of this pavement has been resurfaced but it's the rigid concrete slab that still carries the load. Most of America's heavily-traveled turnpikes also are concrete.

Main roads should be built of concrete. It's the safest, most economical pavement.

Concrete's light color reflects up to four times more light than dark pavements. You see objects on the road sooner, thus get more time to slow down or stop. If you can't see, you can't be safe!

Concrete has a gritty surface texture that enables you to stop fast in emergencies without skidding, even in wet weather.

Concrete is free from hazardous ruts, washboard ripples and raveled edges.

Concrete is moderate in first cost yet can be designed accurately for any load—and will keep that load-carrying capacity for life. It costs less to maintain than other pavements, according to official state highway department records. It lasts longer; engineers now know how to build concrete roads that will serve 50 years or more.

Moderate first cost—low maintenance expense—long life—low annual cost, or savings of millions of dollars for taxpayers.

Safety and economy. Two big reasons why all our main roads should be built of concrete.
